

Decatur County Amateur Radio Club net script

QST from (your callsign). Good evening and welcome to this week's session of the Decatur County Amateur Radio Club net. This net meets every Thursday evening at 7pm on the KA4P repeater located in Decaturville, TN. If this repeater is down the net will meet on 146.55 FM simplex. Break.

This net is directed by a net control station. Your NCS for this session is (your callsign), my name is (your name) and I am located in (QTH). The purpose of this net is to train amateur radio operators for emergency communications, to discuss club business and to pass general information. We encourage all amateur radio operators to participate. You do not have to be a club member to join the net. When checking in please give your name and callsign. Break.

This net can be broken at any time for emergency or priority traffic by using the word "break". At this time is there any emergency or priority traffic? Please call now.

Announcements

The Decatur County Amateur Radio Club meets at 7 PM on the second Monday of every month at the Decatur County Shepherd Fund building located in Parsons on the southeast corner of East Third Street and Kentucky Avenue South just west of the water tower. The club's web page is www.decatuarc.org.

Does anyone have any other announcements for the net?
